Please note that due to the nature of this day Linton Zoo & Image Solutions Photography can not guarantee conditions that are out of their control, such as weather and animals behaviour.

Group size will be a maximum of 10 photographers.

Recommended Equipment

DSLR Camera
Zoom Lens
Extra memory cards
Clothing to allow for weather conditions

Optional Equipment

Fixed/Prime lenses
Monopod/Tripod

This day is ideal for people with a basic knowledge of their cameras and an interest in animal photography, this is also ideal for those who wish to learn more about using their cameras in this type of environment.
