Species Support Scheme

*Would you
like to
sponsor
an
animal?*

The SPECIES SUPPORT SCHEME

allows you to play an active part in helping us towards our aims, which are:

Conservation and preservation of wildlife through captive breeding programmes
Through education, to promote a better understanding of the environment and the creatures with whom we share the world.

How Sponsorship Helps

At Linton Zoo we rely entirely on admission fees at the gate to support the work here.

We do not receive help from the government, local authority or any other source as many people imagine.

Visitors to the zoo may not realise how much money is needed to build and maintain the enclosures the animals live in or how much money is needed for feed bills each year.

The Species Support Scheme (formerly the Adoptions Scheme) enables you to contribute directly to the conservation of species and help us with our aims. By paying a small percentage of the yearly feeding costs of your chosen animal, it enables us to use the extra finance that we have coming through the gate for future developments at the zoo, to enhance our breeding programmes and maintain our high standard.

Who Can Sponsor?

Sponsorships can be taken out by individuals, families, clubs or societies. A sponsorship of a particularly liked animal is a good idea as an unusual birthday present. Maybe it would be a good educational point for a brownie or scout group to aim towards raising money for a certain animal's keep.

How Does the Scheme Work?

A sponsorship runs for one year, after which it may be renewed.

This includes:

- Your plaque on the enclosure
- Your own certificate of sponsorship
- Membership of the friends of Linton Zoo—including 2-3 newsletters a year with interesting information about births, hatchings, new arrivals,

Exclusive Sponsorship

Each animal may be sponsored by more than one person but exclusive sponsorship is available, (the fee is four times usual sponsorship). Fees for commercial companies or advertising are negotiable on request. Sponsorships run for one year from receipt of payment.
